Not Applicable

Start Term	Deadline	Type	Include SOPHAS
Spring 2009	12/1/2010	US	No
Spring 2009	12/1/2010	International	No

Description:

It is important for prospective students to understand that the MPH in Environmental Health/Toxicology and the MPH in Occupational Health and Safety are considered professional degree programs. Persons applying to these degree tracks should have at least two years of previous professional experience in the area that they wish to study. These degree tracks are considered to be a continuation of one's professional experience and are intended to augment the information that one has already learned through that experience.

Distance Learning Program: **Yes**

Peace Corps: **No**

Excelerate Program: **No**

Domestic Applicants Test Requirement: **GRE, GMAT, MAT**

International applicants, please see http://www.sophas.org/documents/SOPHAS_Intl.pdf for additional requirements.
